

COLLABORATION - CONNECTIVITY – INDEPENDENCE – INNOVATION – QUESTIONING – REFLECTION - RESILIENCE

Dear parents and carers,

Congratulations to our super year 3 and 4 entrepreneurs who delighted the school with their wares this afternoon. Not only has this experience taught them a little more about margins and price setting but what shone today was the way they conducted themselves and thought about the feelings of the younger children. We were all very proud of them and will let you know how much they raised next week once they have totted up their totals! Paultons - here we come!!

Thank you for the summer fair contributions today - they were much appreciated. Please see below for mufti days in the coming weeks:

**Mufti Day 2 - Friday 30<sup>th</sup> June** (Bring jars full of sweets)

**Mufti Day 3 - Friday 7<sup>th</sup> July** (Bring teddies for the tombola/ wine for the water or wine stall)

**Mufti Day 4 - Friday 14<sup>th</sup> July** (Cake donations)

As we look at this year and next I am pleased to say our nursery is going from strength to strength and, as a result, we are filling up quickly for September. Thank you for getting your forms back into the office and please spread the word across the community because occasionally we get enquiries from local families who do not realise that we are open to 2-

year-olds and we offer wraparound care from 7:30am - 5pm Mon - Thurs and 7:30am - 4pm on Fridays.

Ice lollies will be on sale in the playground after school on Fridays priced at 50p or £1.00.

### Vacancy

We have a vacancy for a childcare assistant (3 days a week) based in Nursery. If you are interested in applying, please ask the office for an application form.

### A snapshot of learning for this week:

**Explorers** have been finding out about what lives in shells as well as making beach jars and practising their fine motor skills. One group set up a car wash this week and all enjoyed paddling their feet.

**Adventurers** have been exploring the different types of beaches that the children have visited so far and the different activities that they can do at the beach.

**Voyagers** have learnt about the human body and differences between boys/girls in their JIGSAW lessons. They have also been finding out about why the fire of London could not be stopped for four days in their theme lessons.

**Navigators and Pioneers** have been writing poems based on 'Leon', planning their entrepreneur sale and learning performance poetry.

[A snapshot of learning for next week:](#)

**Explorers** will be looking at butterflies.

**Adventurers** will be earth detectives, exploring globes and atlases; finding the answers to their questions through child led enquiry.

**Voyagers** will be designing and beginning to build their Tudor houses in DT and writing letters to King Charles II to ask him to help with the fire in Let's Write.

**Navigators and Pioneers** will be starting the book 'Wonder' and writing character descriptions. They will start their carousels as well as enjoying a day out at Paultons Park learning about roller coasters and then enjoying a ride or 2!!
